Statement Setting Forth Reasons for Which a Rate Increase Is Required:

The Company is proposing to establish nonrecurring charges which are lower than those currently charged by the Incumbent LEC for similar services. The charges are being implemented because they are consistent with the market rates for such services.

Schedule of Current and Proposed Rates and Additional Revenues to be derived from the Proposed Rate.

Proposed New rates:

Primary Service Order Charge	\$ 35.00
Secondary Service Order Charge	\$ 20.00

Revenue Impact:

Based on recent demand, the Company estimates that the proposed new charges will result in increased annual revenue of approximately \$12,000.

Affidavit Verifying Appropriate Notice will be provided to Customers of the Service
